The Assistant Director of Industries & Commerce, Mangalore has now reported that the duration of the training course (i.e) 6 months is too short a period to give effective training to the candidates so that they can pursue the craft efficiently on completion of training. He has therefore suggested that the period of training might be extended atleast to a minimum period of one year. The Bamboo and cane Instructor attached to the Central Office who inspected the Centre has also supported the suggestion of the Assistant Director of Industries & Commerce, Mangalore.

Detrails of additional expenditure involved in the proposed extension of the training period and furnished below:-

		Rs.6848

In the circumstances explained above I agree with the suggestion of the Assistant Director of Industries and Commerce, Mangalore and accordingly request that the Government may be pleased to

extend the period of training for a period of one year instead of 6 months as originally sanctioned by Government in G.O.Ms.No. 2227 Public (RDP) Department, dated 15.7-55. Sir,

COMMUNITY PROJECT--South Kanara--Manufacture of Bamboo and Cane articles Training Centre at Mudradi--Further continuance--Sanction--Request.

REF. 1. G.O.Ms.No.2227, Public (RDP) Departme dated: 15-7-1955.

The Training Centre for Bamboo and Cane Articles Manufacture at Mudradi and the staff attached thereto was ordered to be continued upto 5-6-1956 in the G.O. cited second above.

As the period of training will be only six months upto the date of expiry of the present sanction, it will not be possible for the trainees to gain any substantial knowledge in modern methods of manufacturing cane and bamboo articles unless the centre is further continued for another 6 months making up the total training period to one year. But in view of the proposed closure of Community Project programme by 30-9-1956, it is not possible to continue the centre for the full additional six months' period under Community Project Scheme. Therefo the Centre has to be maintained under Community Project upto 30-9-1956 and the further maintenance of the Centre upto 5-12-1956 has to be entrusted to the regular departmen

I therefore submit that the Government may be pleased to sanction the continuance of the centre an the establishment attached thereto for a further period upt 30-9-1956 from the date of expiry of the present sanction.

P.T.O.

The expenditure on staff, etc., will be met from the overall savings under Rural Arts, Crafts and Industries.

The Government have already instructed the Director of Industries and Commerce, Madras in Memo. No.35756 RDP II/56-1, dated: 3-4-1956 to submit proposals to Government in time for further continuance of the Centre under the Department after 30-9-1956 when the Project will be closed.

Yours faithfully,

for Project Executive Officer.
